

Grand Turk

March 20 - 27, 2010

As one of the best places in the world for wall diving, Grand Turk can't be missed. Grand Turk has one of the most lush wall systems in the entire world. Healthy corals, diverse marine life, and visibility that exceeds 100 feet. With walls starting only 300 yards from shore, you're at the dive sites in minutes. Look out for whales!! We will be there for whale season. Take the excursion to Gibbs Caye and snorkel with Stingrays and conch. Then relax on the beach at the conch for clients BBQ.
